ROSE UNIACKE EDITIONS

The hand fabricated stainless steel frame with woven Danish cord seat and backrest.

Each chair can be used with a slim squab cushion, available on request, as the cord will gently loosen over time.

The combination of lightly burnished metal and natural cord is strong yet light in appearance while offering excellent posture and comfort.

The Danish cord is formed of tightly bound 3-ply paper; strong, long-lasting and is ecologically sound as it is unbleached.
