TABLE NO. 17

Imagine melting ice cream on a hot summer's eve. These table sculptures represent joy and celebration. Each unique slab of onyx is carefully hand-picked. 3/8" thick solid blackened steel "drips" over the edges to create a truly original table sculpture. Photographed in white and honey onyx

Custom sizes and stones available. Made in the Bronx, New York, USA.

MATERIALS : blackened steel, white onyx & honey onyx

LEAD TIME : 13 weeks

SIZE : white onyx: 16" D 19" H

honey onyx: 11" D 23" H
