

## BEAN BAG IN CINNAMON

Code: 9515

ROSE UNIACKE EDITIONS

Fabric: RU Cinnamon Hemp (8898)

A large, sustainably-made bean bag upholstered in RU Hemp

This generously plump and supremely comfortable bean bag is free from conventional styrofoam filling, instead being made from a compostable biopolymer derived from plants that lasts for at least 10 years, the manufacture of which is 100% carbon-neutral

Unavailable in COM

\*suitable for occasional outdoor use, but should be stored indoors. The fabric has been subject to anti-mildew and water-repelling technology
