

## BEAN BAG IN SESAME

Code: 9521

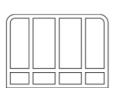

ROSE UNIACKE EDITIONS

Fabric: Rose Uniacke Mid Weight Linen in Sesame.

This generously plump and supremely comfortable bean bag is free from conventional styrofoam filling, instead being made from a compostable biopolymer derived from plants that lasts for at least 10 years, the manufacture of which is 100% carbon-neutral.

\*suitable for occasional outdoor use, but should be stored indoors. The fabric has been subject to anti-mildew and water-repelling technology
