MEDIUM PLASTER CONE HANGING LIGHT BY ROSE UNIACKE - US WIRING

Code: 8060

RU EDITIONS

US Version

Each pendant is entirely handmade in a British craft workshop. They are made from a mixture of fibre glass powder and plaster, which is then laminated into a mould, left to dry, and trimmed. Lastly wet plaster is then applied by hand, creating an outer featured texture, which is then finished in a snow white water based paint. An aluminium wheel is attached to the top of the shade to allow for the electrical assembly

E26 bulb recommended (not included)

Lead time: 8 - 10 weeks
