

HARLEQUIN PENDANT

This pendant is named after a Harlequin Hat, like those painted by Picasso. The shells on the perimeter of the cone, which evoke buttons, give an otherwise simple shape playfulness, presence, and heft. They make you smile. The bowl shape on top, like the brim of a hat, casts light upwards, and the cone's downlight also casts light below. In this way, it's perfect over a kitchen island.

STEPHEN ANTONSON

Harlequin Pendant

MATERIALS

Hand sculpted plaster
Knifed plaster finish

LAMPING

Candelabra base upright sockets, 3 bulbs
Max 40 Watts each
Edison base downlight socket, 1 bulb
Maximum wattage 100 Watts

CERTIFICATIONS

UL / CE

PENDANT DIMENSIONS

Height: 23in / 58cm
Width: 26.5in / 67.31cm

WEIGHT

Approx. 50lbs / 22.68kg

CANOPY

Ø5in / 12.7cm

SUSPENSION

+ 1 foot plaster chain OAD= 39.5in / 100.33cm

Custom chain lengths available

Custom dimensions not available

LEAD TIME

18-20 weeks

FEATURES

Fully Dimmable
Shipped assembled
Flexible overall drop
