

LOST PROFILE - SPECIFICATION SHEET - **SURGEON 500 PENDANT**

Bearing the drama of an operating theatre,  
and executed with the complex precision  
of a dangerous procedure,  
*Surgeon* is not for the faint of heart.

### MATERIALS

Brass, Glass, Acrylic, Aluminium, LED

### MAINTENANCE

All LOST PROFILE metal surfaces are waxed. These metal surfaces are designed to age and patinate. Wear gloves when handling to avoid hand prints. Clear enamel coating is available on request. Enamelling does not stop the patination process, it just slows the process down.

### RODS & CEILING CANOPY

LOST PROFILE offers rods at four lengths (mm): 250, 500, 750, 1000. One rod is included in the price of this fixture, additional rods are extra. Please consider the height of the fixture itself when selecting a rod. SURGEON PENDANT is supplied with 1 x Square Flush canopy, 180 x 180mm.

### DRIVERS & DIMMING

LOST PROFILE products are supplied with 0-10V dimmable LED drivers. LOST PROFILE do not supply 0-10V rotary switches or wall plates. Talk to your electrician about sourcing these items. The location of the driver needs to be considered, whether in a ceiling cavity, in a wall cavity, or ideally in an accessible electricals cabinet.

### PRICING AND LEAD TIMES

Please contact us or your nearest LOST PROFILE representative for current pricing and lead times.
