Carrara marble with silver-plate fittings

This lamp was inspired by the Marble Centre Table by Rose Uniacke, which is where it's interesting conical shape derives from. Made from Tuscan Carrara marble, the base is lathed from a solid block of quarried stone. Each lamp then sits on a silver-plate base.

These lamps are also available in additional 'limited edition' marble variations and a range of metal finishes. Please enquire for stock availability. These are sold without the shade
