## SCALLOP SHELL UPLIGHTER - US WIRING

Code: 8117

### RU EDITIONS

After a George IV example, these were originally made as wall sconces, and were later developed into wall lights. Cast in the form of a hollow scallop, supported by acanthus leaves. They are made using traditional plaster casting methods, at a British craft workshop. Sold individually

E12 bulb recommended (not included)

Lead time 10 weeks
