

## SCALLOP SHELL UPLIGHTER - US WIRING

£2,280

Code: 8117

ROSE UNIACKE EDITIONS

After a George IV example, these were originally made as wall sconces, and were later developed into wall lights. Cast in the form of a hollow scallop, supported by acanthus leaves. They are made using traditional plaster casting methods, at a British craft workshop. Sold individually

US wiring: Suitable for US

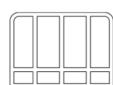

Bulb required (not included) : E26, 25W max

Dimmable

CE version also available

UL certified if requested
