SMALL SPUN LAMP IN BRONZE - US WIRING

£3,180

Code: 9094

RU EDITIONS

Finish: Polished Bronze

The smaller version of its namesake, the Small Spun lamp is hand crafted using hot cast bronze via the sand-casting process. This creates an organic pitted texture that is then hand-finished and patinated. All elements combine to fashion a traditional, yet modern styled lamp of versatile elegance and character

US wiring: Suitable for US

Bulb recommended (not included): E26 , 60W max

CE wiring also available
Torpedo switch

R
