

SMALL STONEWASH SCALLOP SHELL  
UPLIGHTER - US WIRED

£1,620

Code: 9978

ROSE UNIACKE EDITIONS

Finish: Stone-washed water based paint

After a George IV example, these were originally made as wall sconces, and were later developed into wall lights. Cast in the form of a hollow scallop, supported by acanthus leaves. They are made using traditional plaster casting methods, at a British craft workshop. Sold individually

US wiring: Suitable for US

Bulb required (not included) : G9, 25W max
