TABLE NO. 1 - NESTING PAIR

Composed of two separate side tables—with each table only having two legs! This nesting side table is made from cast, blackened, and waxed steel. This uniquely designed frame allows for a 1-inch thick, cast steel, circular top to balance on only two legs. This is the first table designed by J.M. Szymanski, and it is a favorite among collectors, designers, and architects alike.

Custom sizes available. Made in the Bronx, New York, USA.

MATERIALS : blackened steel, waxed finish

LEAD TIME : 13 weeks

SIZE: Large - 15"R 21"H || Small - 12"R 16"H
