## PETERSHAM ARMCHAIR

£4,800

Code: 5463

### RU EDITIONS

This armchair was designed off the back of the popularity of its sofa counterpart. Made with a traditional solid beech frame, with subtly flared arms and a gently curving back with a large loose back cushion and bun feet. The extra deep base is designed to give ultimate comfort, with or without additional scatter cushions. The armchair is conceived on a particularly large scale to accommodate the depth of the seat, whilst retaining its fine proportions.
