## OAK THEATRE CHAIR

£2,280

Code: 4344

RU EDITIONS

Handmade in oak, this slim, refined chair is designed to compliment the Draper's Table and the Oval Table by Rose Uniacke. The comfortable barrel-formed back creates an elegant silhouette when the chair is drawn up to the table. The added 'flick' of the back legs provides a wonderful profile. The seat cushion is traditionally upholstered in our own 'Sand' heavy weight linen (4529)

The chair was derived from an early 20th Century model designed for a theatre; the shape inspired by the 'spoonback' of the mid-nineteenth century and the Art deco lines of the late 1920s

Leadtime 10 to 12 weeks
